

## Custom Class Fact Sheet

### Who are Custom Classes for?

- \* You have a specific technique you would like one-on-one instruction to learn.
- \* You would like a short class to try a new medium, either private or with your family or friends
- \* Pratt's course schedule does not fit yours. Sometimes shorter or more intimate classes can be created, especially if you know other students interested in taking the class with you.

### The basics of Custom Classes:

Please allow two weeks for your request to be processed. We often can arrange classes in a shorter amount of time so please still inquire even if your request does not fit into the 2 week parameter.

You must complete registration before the class. We will not guarantee the Custom Class if payment is incomplete.

Custom Class rates: All rates, excluding glassblowing, include a group of 1 to 4 students without a cost increase. Having another student in the class is a great way to reduce the price for you. Glassblowing lessons allow up to two students.

Custom Classes start at \$50 an hour.  
Glassblowing classes are \$340 for a 4hr session.
