

Memo for Parents

Parents of Pratt Students:

Welcome back!

As we slowly begin to rebuild our in-person community again, I wanted to let you know of some protocols we are taking to make sure our campus remains sanitary, safe and comfortable for everyone. Below are some actions we encourage you to take when preparing to join us again:

- Sanitize before coming on to campus
- Please bring your own mask and gloves, depending on your art experience
- If you or anyone in your household is feeling ill, please refrain from coming on campus for the safety of others.
- Note that there will be physical signs to follow that have created zones for proper distancing

I encourage clear and open communication so if there are specific needs or accommodations your young artists need please let me know and I will see what we can do. We look forward to having you back on campus and hopefully see you for some upcoming events.

Information about drop off and pick up will be sent out after course registration.

Best,

Gabriel-Bello Diaz
